

# GEOFFREY PAUL

## Front-End Developer and UI/UX Designer

Blantyre

[geofreypaul40@gmail.com](mailto:geofreypaul40@gmail.com)

+265 992 13 21 95

I create custom HTML, CSS, and JavaScript for existing websites and applications. I create user-friendly experiences that encourage customers to stick with a brand or product. In addition, I design user interfaces that help users understand how to use complex technical products.

## Work Experience

---

### Front End Developer (self-Projects)

July 2022 to December 2022

I am a Front End Developer with 1 year of front end experience and I have a passion for responsive website design and a firm believer in the mobile-first-approach. Certified by Meta. I Implemented new responsive website approach which increased mobile traffic by 15%.
